# MOBILE DRIVERS LICENSE
AGE VERIFICATION
Do's & Don'ts

✔ DO'S

Scan the QR code or ask the customer to Tap their phone.

Verify the customer is above the required age limit for the purchase.

Confirm the photo you received matches the customer presenting it.

✗ DON'TS

Do not rely on looking at the customer's phone screen.

Do not accept an mDL as valid without scanning and verifying it.

Do not ask for more information than you need for the transaction.
